

ALEKSANDRA BRZOSTEK

About

I am a Computer Science student. For over a year I worked as an IT and Internet specialist. My main tasks involved the optimisation of web campaigns and web development. My extra interests include web design, film editing, 3D animation and Java programming.

Information

Phone

+ 48 694 363 670

Location

Warsaw, Poland

Email

aleksandra.brzostek99@gmail.com

Experience

2020

IT Internship

Vincent Labrada

As an Intern I was assigned to different technical projects and had a chance to develop skills in web development, database management and basic programming.

2020 - 2021

IT Department

Vincent Labrada

After completing my Internship, I got a position as an IT and Internet Specialist and was responsible for developing web pages (HTML, CSS, Bootstrap, JavaScript), Google Ads and Facebook Ads campaigns for clients.
